

- i. 4645 pump status – brewer said State does not want those in use anymore and trying to have it repaired will require the loss of all of them.
- VI. New business
- a. New flooding issues
    - i. Complaint via 8/13/2016 e-mail re: Bldg 1 4637 bathroom leak from the roof; work order in March 2016 that sealed around the pipe. Closed at that time. Agent attempt to enter the unit on Tuesday, August 16, with contractor after 5 inches of rainfall overnight, and Satori Management staff never returned the call. We are closing complaint as resolved.
    - ii. Two new basements – 4631 and 1957 – see old flooding issues in item V above.
  - b. Disperse emergency information options: text messages, facebook, e-mails. Discuss it with the members at the Annual Meeting.
- VII. Adjourn / Next Meeting ended at 8:48 p.m. with next meeting on budget for 6:30 p.m. on Sept 8 at Phil's.
